# **INTRODUCTION**

The Lacombe Golf & Country Club is a semi-private golf club in the heart of the City of Lacombe. The Lacombe Golf & Country Club is one of the most welcoming facilities in Central Alberta for access to Junior Golfers.

On behalf of the Board of Directors and staff at the Lacombe Golf & Country Club, we would like to welcome you to the 2019 golf season. We are always available for any of your questions and concerns, and look forward to serving you over the next few months. Please visit us online at [www.golflacombe.com](http://www.golflacombe.com).

This handbook will help guide you through the upcoming year and hopefully answer all of your questions concerning the Junior Golf Program at the Lacombe Golf & Country Club.

## **GOALS**

Golf is a unique, individual activity that allows its participants to grow in so many ways.

**It is the goal of the Junior Golf Program, to provide the means for which its members will improve as golfers and as young people in our community.**

We will do this by providing expert guidance in all aspects of the game of golf. The programs we offer will teach the juniors proper etiquette while at the club and on the course, the rules of golf, the fundamentals of the golf swing, and how to “play” the game.
