## Lacombe Golf and Country Club Covid-19 Action Plan

The Lacombe Golf and Country club is preparing to provide you and our staff a safe and comfortable outdoor experience within the constraints of social distancing and overall health and safety throughout these challenging times. In order for golf at LGCC to be part of our regular exercise and overall health routine, we need to work together to bring into effect the following changes:

### Golf and Turf Care Operation

- Leave flag sticks in hole at all times
- Cups will be inverted
- Eliminating contact points on the golf course such as:
  1. Rakes in bunkers
  2. Sand seed containers on tee boxes
  3. Tee markers/Yardage Markers
  4. Sand and Seed bottles from power and push carts
  5. Ball Washers
  6. Club Storage will be provided but cleaning will not
  
- Driving range will only be open for warm up buckets 10-15 minutes prior your round with only 4 stalls open.
- No bulk scorecards or pencils will be provided
- Please return range baskets to club storage area where it can be sanitized for next use
- Club house restrooms will be closed as per covid-19 regulations
- On course washroom will be closed as per covid-19 regulations
- We will be running 12 minute intervals to eliminate groups around the club house and 1<sup>st</sup> tee
- Please arrive no more than 10-15 minutes prior to your tee time
- Please walk or carry clubs when possible
- One person per powercart(unless from same household) if needed, on a first come first served basis
- For the time being regular leagues or tournaments are not permitted as they cause a gathering over the allowable limit
- We will not pair or fill your group with other golfers, singles will be on standby only
- Please refrain from handshakes after the round and keep your 6 feet distancing
